

'BUILD TO RENT - SPACES TO GROW; PLACES TO LIVE'

BTR Forum London 2022 – Delegate Feedback

Thank you to all that attended the 8th BTR Forum – ‘Build to Rent – Spaces to Grow, Places to Live’, on 12th October. It was fantastic to be ‘back in the room’. We had a full house, and from the feedback, this was another very successful BTR Forum – thanks in no small part to a brilliant line up of contributors.

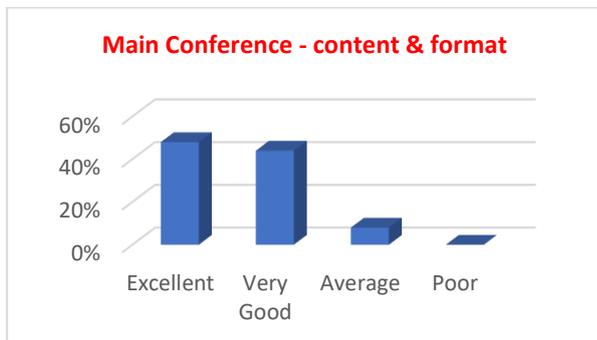

It was fascinating to hear how far the BTR sector has come over the last 10 years, reflecting the fact that the market is maturing, that the BTR offering has broadened and that rented living is widening its appeal, driven by more choice, changing lifestyles and a demand for quality living space.

Results

Thank you to all those who took the trouble to respond to the survey, your feedback is invaluable and will help us to shape and improve next year's forum. We secured a good representative sample of 50 responses 16% of the audience.

The following analysis summarises the responses:

Commentaries and Observations

Positive Feedback

"Great event and amazing speakers"

"Really insightful and innovative conference"

"Some many conferences to choose from in the BTR sector. This is without doubt the best thought out organised, delivered conference"

"Really enjoyable event. High quality speakers and content, lots of networking opportunities and breaks and the food was beautiful!"

"A good event. Most sessions were very useful and contained a lot of excellent market information"

Negative Feedback

"Keeping sessions to time would have been more beneficial as cutting some speakers short wasn't ideal.

"There was no mention of increased cost of debt - the biggest issue facing the entire industry"

"The venue had good transport links to get there but odd for this type of event, could not go back to the office easily, as per the city"

"More chairs less tables please"

All in all, 9 out of 10 who responded rated the overall conference Excellent / Good! We are delighted with the feedback and will take all comments and observations into consideration in planning the BTR Forum 2023!

If you have any other observations, comments, or ideas that you would like to share with us, please do not hesitate to contact me.

The 9th BTR Forum will be held in October 2023.

Due to the success and popularity of this annual event, we will also be organising an **'Interim BTR Forum'** event on **Thursday 27th April** ...More info coming soon - www.buildtorentforum.co.uk
